

Dragon Quad Racing Race Report Round 4 Howey June 17th 2018

Dragon Quad Racing Round 4 MCF British XC Championship at Howey brought to you by ATV's Only in association with GML ATV.

Howey near Llandrindod Wells was the venue for Round 4 of the MCF British XC Championship and marks the halfway stage of the 2018 season already! All of the championship classes are now taking shape and it's all to play for going into the 2nd half of the season with no clear advantage in any of the classes.

This track has been a club favourite for a number of seasons and it didn't disappoint, the track was demanding on the riders and had a mix of open fast sections technical woods and steep Rocky climbs and descents and an Enduro X track for good measure !

Congratulations to all the Winners today and to each rider who took part, Luke Davies rode a fantastic race picking up from where he left off and led from start to finish, the only rider to clock 20 laps in the 2.5 hrs taking the Overall and Expert + win, Alex Bethell and Kevin Meenagh rounded out the Expert + podium.

Luke Richards had a cracking ride to record his first Win in the Expert class, Axel Bone was back to win in Clubman and Callum Brookes taking his 2nd win of the season in the Sportsman class.

Katie Hodgson continued her run of great riding to win in the 4 x 4 lights class again, whilst Simon David took the top step in the 4x4 Heavy Class posting 18 laps.

In the Youth Race which took place in the morning over 1.5 hrs, Shelley Smart won the 250 Hybrid class and also took the fastest lap of the Race, Will Morgan took the honours in the Youth 250 Class with Harry Exley winning his 2nd race in succession in Youth 100-125.

The Youth Riders all rode extremely well over such a tough track with the class providing some great action.

The MINI Quad Race took place over a shortened course for 30 Minutes but it was equally as tough with some steep hills and a stream crossing this was definitely their biggest test to date. Dayton Thompson took the Win in the 90cc Class with Jake Robson winning the 50cc class for the 1st time. A big well done to all the Mini Quad Riders !!

Top lady was 4x4 rider Katie Hodgson with Simon David taking the over 40's win as well. Full results of all the races will be available on MYLAPS.
